

Good morning,

Thank you for your email.

I am happy to extend the consultation period on this occasion.

Many Thanks

Charley

Subject: Planning Application. 23/02414/FUL. Hilbre, 17 Watling St. South, Church Stretton.

Dear Planning,

The Church Stretton Town Council Planning Committee meets on the 18th July 2023 to discuss this application. We have already been advised that members of the public will be attending the meeting to express their views at this meeting.

This meeting will be 1 day after the end date for consultation based on the notification the Town Council received. I would ask that you consider giving the Town Council leeway to debate this application and hear the submissions of those members of the public who wish to speak on the application on the 18th July.

Would you please advise me whether this is allowable?

Should it not be, we will of course abide by your policy and submit a holding comment in the interim.

Kind regards

Cllr. John Luck
Chair, Planning Committee, Church Stretton Town Council.
